DD/A REGISTRY

MEMORANDUM FOR: Acting Director of Central Intelligence

FILE: 100-15

FROM: Harry E. Fitzwater
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 1 April 1983

1. Progress reports on tasks assigned by DCI/DDCI:

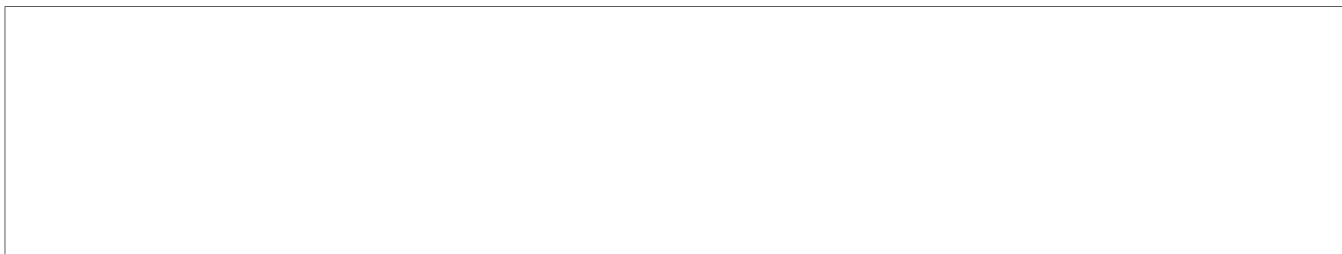

All action on tasks assigned by the DCI/DDCI has been completed.

2. Items/events of interest:

a. The CIA SAFE Early Capability system went into a production mode on 28 March, the scheduled initial operational capability date. Approximately 50 users have access to the system. Eight of the 18 identified support personnel from the Defense Intelligence Agency (DIA) have received CIA badges to facilitate their DIA SAFE Early Capability support responsibilities.

b. An Implementation Group meeting was held on 28 March to conduct a readiness review of the Community-wide Computer-assisted Compartmentation Control System (4C) in preparation for Initial Operating Capability (IOC) on 4 April. Our plans are for CIA and six other Intelligence Community agencies to be operational at IOC.

c. In a meeting held on 29 March tentative agreement was reached with officials of the Virginia Department of Highways and Transportation (VDH&T). Under the terms of the agreement, VDH&T will design, construct, operate, and maintain the necessary road improvement to Route 123 associated with the Headquarters expansion. The Agency will be responsible for funding, making the necessary submittals to the National Capital Planning Commission, and for presenting the improvement plans to local citizens groups.

f. On 24 March Office of Security representatives conducted a briefcase/package inspection at Headquarters; one security violation was charged.
